"CATCH A WAVE" is the theme for the Adams-Friendship Area Educational Foundation's season three Fine Arts Center event lineup. The inspiration for this came from **Sail On: the Beach Boys Tribute**, the big season kick-off event on September 7. One of the Beach Boys' hit songs seemed to best capture the wave of enthusiasm for FAC Events that is building in the A-F community! We have assembled a series of exciting performances for the 2019-2020 season that will appeal to all ages and interests and continue our tradition of offering quality entertainment at affordable ticket prices.

SPONSORS ARE THE LIFEBLOOD OF OUR SUCCESS!

Ticket revenue is one of our financial resources, but AFAEF would like to encourage audience size, participation, and student attendance by maintaining a reasonable ticket price for every show. That means sponsor support truly is the "lifeblood" of our ability to have great performances in Adams-Friendship.

To continue providing quality entertainment at family-friendly prices, significant financial support of the events is essential! Sponsors make it possible for us to improve upon our established reputation for quality shows at reasonable ticket prices.

Our goal for the 2019-2020 season is to raise \$60,000 in sponsor contributions, which would allow us to finance the already-scheduled events plus add educational opportunities for our students. Maybe we can even *"Catch a Wave"* and schedule another *"Big Splash"*!

WANT TO HELP? BECOME A SPONSOR!

Sponsorships at all levels are sincerely appreciated and recognized by the AFAEF and community. Customizable sponsor recognition options are available at the **Spotlight** and **Center Stage** levels. We hope you will consider those categories of community support.

"Catch a Wave", and join the Adams-Friendship Area Educational Foundation in our mission to bring live, professional entertainment to the Adams-Friendship Fine Arts Center.

Thank you for your support of our community!
